

Sherline Lathes Price List and Information

Price list effective November 2008

NOTE: All machines come equipped with a DC Motor and Speed Control that operates at 100V. through 240V., 50 or 60 Hz. with no change in performance.

Lathes include: Faceplate, drive dog, 2 dead centres, tool post, 1/4" HSS cutting tool, 2 spindle bars, 3 hex adjustment keys, #1 Morse arbor with draw bolt and colour instruction and assembly guide book.

LATHES				
PART NO.	PRODUCT DESCRIPTION	WT/KG	PRICE Ex GST	PRICE Inc GST
4100	 <p>Sherline 3.5" x 8" lathe with high torque DC motor and speed control</p>	10.89	\$1,490.00	\$1,639.00
4100-DRO	Model 4100 lathe with P/N 8260 2-axis digital readout/RPM display factory installed	12.25	\$2,130.00	\$2,343.00
4100-CNC	Model 4100 lathe equipped with stepper/servo motor mounts ready to convert to computer numeric control (CNC) (Stepper/servo motors, software, drivers and computer NOT included)	12.25	\$1,890.00	\$2,079.00
4410	 <p>Sherline 3.5" x 17" long bed lathe w/ adjustable zero handwheels and rocker tool post</p>	13.61	\$1,725.00	\$1,895.50
4410-DRO	Model 4410 lathe with P/N 8260 2-axis digital readout/RPM display factory installed	14.97	\$2,305.00	\$2,535.50
4410-CNC	Model 4410 lathe equipped with stepper/servo motor mounts ready to convert to computer numeric control (CNC) (Stepper/servo motors, software, drivers and computer NOT included)	14.97	\$2,085.00	\$2,293.50
4530	Model 4100 lathe w/ adjustable zero handwheels	10.89	\$1,349.52	\$1,746.44

LATHE PACKAGES

4100A lathe package	 <p>Model 4100 3.5" x 8" lathe PLUS 1041 2.5" 3-jaw chuck and 1072 1/4" drill chuck</p>	11.34	\$1,690.00	\$1,859.00
4100A-DRO	4100A lathe package with digital readouts factory installed	12.70	\$2,325.00	\$2,557.50
4100A-CNC CNC-ready	4100A lathe package equipped with stepper/servo motor mounts ready to convert to computer numeric control (CNC) (Stepper/servo motors, software, drivers and computer NOT included)	12.70	\$2,110.00	\$2,321.00
4100B lathe package	 <p>4100A lathe package (see above) PLUS 1074 steady rest, 1191 live center, 3002 cutoff tool and holder, 3007 1/4" HSS tool set, 3020 Sherline T-driver, 3021 center drill set and 5327 Sherline Shop Guide book.</p>	14.06	\$2,065.00	\$2,271.50
4100B-DRO	4100B lathe package with digital readouts factory installed	15.42	\$2,700.00	\$2,970.00
4100B-CNC CNC-Ready	4100B lathe package equipped with stepper/servo motor mounts ready to convert to computer numeric control (CNC) (Stepper/servo motors, software, drivers and computer NOT included)	15.42	\$2,465.00	\$2,711.50
4100C lathe package	 <p>4100B lathe package above PLUS 1280 compound slide and 3100 thread cutting attachment</p>	15.42	\$2,540.00	\$2,794.00
4100C-DRO	4100C lathe package with digital readouts factory installed	16.78	\$3,175.00	\$3,492.50
4100C-CNC CNC-Ready	4100C lathe package equipped with stepper/servo motor mounts ready to convert to computer numeric control (CNC) (Stepper/servo motors, software, drivers and computer NOT included)	16.78	\$2,940.00	\$3,234.00

4410A lathe package	 <p>Sherline Model 4410 3.5" x 17" lathe w/ 1040 3/1" 3-jaw chuck and 1069 3/8" drill chuck</p>	14.97	\$1,980.00	\$2,178.00
4410A-DRO	4410A lathe package with digital readouts factory installed	16.33	\$2,560.00	\$2,816.00
4410A-CNC CNC-Ready	4410A lathe package equipped with stepper/servo motor mounts ready to convert to computer numeric control (CNC) (Stepper/servo motors, software, drivers and computer NOT included)	16.33	\$2,345.00	\$2,579.50
4410B lathe package	 <p>Sherline model 4410A lathe package above PLUS 1074 steady rest, 1191 live center, 3002 cutoff tool, 3007 1/4" HSS tool set, 3020 Sherline T-driver, 3021 center drill set and 5327 Sherline Shop Guide book</p>	16.33	\$2,345.00	\$2,579.50
4410B-DRO	4410B lathe package with digital readouts factory installed	17.69	\$2,935.00	\$3,228.50
4410B-CNC CNC-Ready	4410B lathe package equipped with stepper/servo motor mounts ready to convert to computer numeric control (CNC) (Stepper/servo motors, software, drivers and computer NOT included)	17.69	\$2,705.00	\$2,975.50
4410C lathe package	 <p>Sherline model 4410B lathe package above PLUS 1280 compound slide and 3100 thread-cutting attachment</p>	18.60	\$2,835.00	\$3,118.50
4410C-DRO	4410C lathe package with digital readouts factory installed	19.96	\$3,415.00	\$3,756.50
4410C-CNC CNC-Ready	4410C lathe equipped with stepper/servo motor mounts ready to convert to computer numeric control (CNC) (Stepper/servo motors, software, drivers and computer NOT included)	19.96	\$3,195.00	\$3,514.50
4530A lathe package	Model 4530 3.5" x 8" lathe with adjustable "zero" handwheels PLUS 1041 2.5" 3-jaw chuck and 1072 1/4" drill chuck	11.34	\$1,785.00	\$1,963.50
4530B lathe package	4530A lathe package (see above) PLUS 1074 steady rest, 1191 live center, 3002 cutoff tool and holder, 3007 1/4" HSS tool set, 3020 Sherline T-driver, 3021 center drill set and 5327 Sherline Shop Guide book	14.06	\$2,160.00	\$2,376.00
4530C lathe package	4530B lathe package above PLUS 1270 compound slide and 3100 thread cutting attachment	15.42	\$2,645.00	\$2,909.50

COMPLETE MACHINE SHOP PACKAGES with Lathe, Mill and Accessories

<p>6010 Ultimate Machine Shop Package with 5410 Mill</p>	 <p>All the basic tools of a good machine shop in one package. Included are: 4410A deluxe 3.5" x 17" lathe package with chucks, 5410 deluxe milling machine with headstock spacer block and 1/4" drill chuck, 5330 safety glasses, 1074 steady rest, 1191 live centre, 3002 cut-off tool and holder, 3007 1/4" HSS tool set, 3021 centre drill set, 3020 Sherline T-driver, 3090 mill collet set, 3551 mill vice, 3013 step block hold-down set, 3079 3/8" end mill holder, 7400 6 Pc. 3/8" end mill set (double ended, 2-flute), 3052 fly cutter, 3049 boring head, 3063 boring tool, 3750 tilting angle table, 3700 4" rotary table and 5327 Sherline Shop Guide book</p>	42.18	\$5,435.00	\$5,978.50
6010-DRO	6010 Ultimate Machine Shop package with digital readouts factory installed on both lathe and mill	44.91	\$6,700.00	\$7,370.00
6010-CNC	6010 Ultimate Machine Shop package with CNC stepper/servo motor mounts ready to convert to computer numeric control (CNC) (Stepper/servo motors, software, drivers and computer NOT included)	44.91	\$6,255.00	\$6,88.50
<p>6210 Ultimate Machine Shop Package with 2010 Mill</p>	 <p>(6010 Package shown) This package is the same as the 6010 package listed above except the Model 2010 8-direction mill is substituted for the Model 5410 mill.</p>	44.45	\$5,990.00	\$6,589.00
6210-DRO	6210 Ultimate Machine Shop package with digital readouts factory installed on both lathe and mill	47.17	\$7,255.00	\$7,980.50
6210-CNC	6210 Ultimate Machine Shop package with CNC stepper/servo motor mounts ready to convert to computer numeric control (CNC) (Stepper/servo motors, software, drivers and computer NOT included)	47.17	\$6,810.00	\$7,491.00
8765	Upgrade any Sherline CNC-ready lathe package to CNC (not including a computer). Includes 8760 driver box plus two P/N 67127 stepper motors	4.08	\$1,680.00	\$1,848.00
8770	Upgrade any CNC-ready Sherline mill to full CNC (not including a computer). Includes 8760 driver box plus three P/N 67127 stepper motors	4.99	\$1,840.00	\$2,024.00
8775	Upgrade any CNC-ready Sherline shop package to full CNC (not including a computer). Includes 8760 driver box plus five P/N 67127 stepper motors	5.44	\$2,090.00	\$2,299.00
